

KENNEDY GANG

APR - JUN 2011

DEAR FAMILY AND FRIENDS

Well, it has not been easy for the Kennedys coming back to Benin for a whole plethora of reasons. In this Prayer Letter you will see a handful of photos and their Prayer and Praise Items, feel free to read between the lines, but before jumping to conclusions do write to them and make sure those conclusions are correct.

BENIN OPERATIONS

Well, since we are in the northern hemisphere this time of the year we have our Summer Interns, and this year was no different. Garth was meant to arrive in Benin at the same time as them and take charge but plans got changed and the interns had to adapt.

They, Matt and Erkai, have since gone back to school in the US and it was great to have had them here for part of the summer. Matt, an electrical engineer, and Erkai, a mechanical engineer, worked on a number of projects both within and outside of their areas of expertise. (Photos below)

This time of the year also means Family Fun Day, which this year attracted over 60 people, the photos are on our website. It was a great time of fun, relaxing and getting to know others but also one of saying goodbye to two families.

Broadcasts continue but please do pray for our personnel issues, we have had to have a few damage control exercises. We praise God that every night we are still able to broadcast to a large portion of West Africa.

Our Praise and Prayer Items:

- Praise for a great time in South Africa.
- Praise for good travels around the country and visiting and staying with wonderful friends and family.
- Praise for safety on all our travels.
- Praise for good opportunities to share about our work in a number of churches and other meetings.
- Praise for an uneventful journey back even though it took us three days.
- Praise for the Sola New Testament Bible dedication, Garth and Fiona attended that the first weekend they were back
- Pray for the Kennedy family as they settle back into life in Parakou
- Pray for the boys as all their missionary friends will have left in Parakou by the end of August
- Pray for the Cox family as all three their children are now enrolled at Rift Valley Academy in Kenya
- Pray for Fiona in her new part time role with SIM
- Pray for Garth's trip to SA in September to be with his family as his sister, Corrinne, has surgery
- Pray for the health of the family, both Fiona and Garth have had eye infections and malaria has struck already, among other illnesses.
- Pray for friends from up north, their ten year son died from malaria this past week.
- Pray for the work of TWR in this region and particularly for the lack of key personnel in various areas, this is starting to affect our ability to operate effectively as a transmitter station.
- Pray for the ongoing negotiations for the Short Wave licence and also the NGO status for TWR in Benin.
